 - b. Sink Detail: Undermount or Overmount
 - c. Edge Detail: Eased, ¼" Bevel, Bullnose, Ogee, ½ Round or 3cm Radius
 - d. Are outlet holes required in backsplash?
 - e. Do we need to remove existing countertops?
 - f. Is plumbing sink hookup required?
 - g. Is a backsplash required?
 - h. Is stainless steel sink required?
- 2. Stone Selection:** You must contact Van Ness Stone to schedule an appointment to meet one of our sales associates at Mont Granite. If you wish to go to Mont Granite without a Van Ness sales associate, then you need to complete a referral card. Please Do Not go to Mont Granite without a referral card and contacting Van Ness Stone. This will eliminate any confusion with Mont Granite.

At Mont Granite you will be able to pick out the color and required quantity of granite slabs to complete your countertop. These slabs will be reserved for a period of fourteen days. We suggest you bring any samples of wall coverings, flooring, cabinetry and/or upholstery to assist with your granite selection. After your granite selection you will then be required to sign the slab acceptance form prior to leaving Mont Granite.
